

FIXXTREME AFFILIATE PROGRAM

FIXX EXTREME ULTRA Shots Earn Up To 25% in Commissions

The energy drink market is constantly growing. From supplements to mainstream products, there is a plethora of options for consumers to choose from.

Unfortunately, the marketplace is saturated with these "ME-TOO" products. As a result, we felt there is a real lack of innovation missing out there. At FIXXTREME, we

created a product with a tiny amount of liquid with a **strong level of energy**.

After 3 years of research and development, we are able to launch FIXX Extreme Ultra Shots. This product is highly concentrated, with **400mg of caffeine** in just one teaspoon of liquid.

We stake our claim as the **strongest energy shot!**

Innovation Always Wins!
